

Unleashing the Power of the Gospel Through National Ministers in Haiti and Mexico

Eugene Enns
General Dir.

Lluvias Kitchen Remodel

The Lluvias Church in Oaxaca, Mexico has stood the test of time and produced amazing fruit for eternity. Monthly we get reports of new be-

lievers and disciples strengthened. They are the hub for church plants in 3 other areas and an earthquake ministry 6 hours away.

Ciro and Juanita Perez are at the center of this ministry and keep doing an amazing job. We very seldom get requests for help for projects as they seek to do as much as they can on their own. **The need to remodel the kitchen is important.** It is used every week and

has been holding up through earthquakes and years of service. The remodel will fit into the newer one that is right beside it and update all the appliances and water needs. **We could show our love and support for these people who are doing such a great job with a gift of \$2,000.** The kitchen will aid them in their outreach in a wonderful way. (Upper left) The sanctuary and stage. (Upper right) Old stove, cracked walls, and Juanita visiting with visitors.

Cracks from earthquakes

Maxson Needs a Sponsor

On occasion an orphan sponsor must stop their support. We understand that. We ask for a \$45 per month support for one orphan. We do not double dip. We do not give one orphan to 2 or 3 people so we can get more funds to operate the orphanage. We are dependent on the Lord and many donors who believe caring for these kids is important as we seek to

launch them into adulthood. Sponsorship of all the orphans does not cover the monthly cost but we must keep current with support for each one. Maxson is older now than this picture. We will have pictures available of all the orphans soon for all sponsors.

If you would like to take him on as your orphan do so understanding this will be a monthly continuing support. **Send us a note if you will help!**

Container Delivered

It is a great day when the container arrives on the compound. It left Henderson on December 10 and arrived in Haiti on January 14th. Everyone on the compound pitched in. We now have enough older

orphan boys and workers to make this happen in 2 and half hours. Nothing was stolen and all is stored and accounted for! **Once again our thanks to all who gave and sacrificed to make this happen!** There are more pictures on the back page.

Jeanty Eye Exam Results

Thank you for your prayers and your support! A US doctor examined Jeanty and came up with the same diagnosis as the Haitian doctor. Medication, regular exams, and all done harmoniously! Thank you for your donation as we have covered the cost with some extra for his future needs.

3 Ways you can Donate

On occasion we are asked about the ways a donation can be made to Grace Mission.

- By mail to the PO Box 126, Henderson, NE 68371 address.
- By automatic withdrawal. By your request we would send you a small form to fill out and return to us with your check marked void. We would take care of the rest.
- By giving online. Go to our [website at gracemission.info](http://www.gracemission.info) and clicking on the eGive button, set up an account and give monthly or whenever possible.

Los Alamos Ministry - Carlos and Sara Vasquez

Carlos has a brother in California who has just lost his wife. He is there for the funeral and to help out. They have two small children. Your prayers would be appreciated for him and this family at this difficult time.

Village Ministry - David and Karina Lopez

Everybody starts a new year with challenges and goals that they hope to accomplish. We started a new year continuing to build the body of our Lord Jesus Christ, but also remodeling and building the bathrooms for the Home Church. We have faced different difficulties in the process but thanks to our Lord we have got over them. However, the bathrooms project is taking us a little bit longer that we expected.

Every Wednesday night at our prayer meeting, we pray for the church life, for our civil and spiritual authorities, for the church families economy, for Grace Mission ministries, for our students, for physical and spiritual health, etc. A good way to know that we are in good spiritual health is when we have a big desire to worship God and share the Gospel to others. Sharing the gospel is a command (Mathew 28:16-20), share the gospel is a matter of mercy (Mathew 9:36-38), share the gospel is a matter of calling (Mathew 4:17-20), share the gospel is a matter of joy and courage (Acts 16:16-25) and share the gospel is a matter of great communion with the Holy Spirit (1 Corinthians 2:10-15). I don't know what moves you to share the gospel but the idea here is **SHARE THE GOSPEL!!!**

Park where Veronica believed in Jesus!

This month God allowed me to bring 3 new people to Christ. The first one is an old friend who used to work at the same job I had almost 12 years ago (federal investigating agent). Her name is Veronica. For a long time she resisted to accept Jesus as her savior and she suffered many difficult situations. But 2 weeks ago, having a good talk and a cup of coffee, she decided to accept Jesus as her Lord and Savior. Praise the Lord!!!. The reason why you won't find a picture of her on this report, is because she doesn't want to be on pictures. **She still afraid of some bad people from the last job as a Federally!** She suffered sexual harassment by important people there and for many years she had to hide from

them because she took them to court! They got very angry and tried to hurt her. At this time we are about to begin the third lesson of discipleship. To God be the glory.

The other two persons whom accepted Jesus as their Lord and Savior are a father and Son, (Martín and Jonathan). They began to work as contractors on the bathroom project here at our place. For a couple of days while we worked, we started to talk about the human need for salvation and, two days ago both of them humbled themselves at the feet of Christ. Please pray for the new 3 souls that God confirms his calling to them.

More Container Pictures and Report

Haiti when a new set was purchased last year.

Supplies came on the container for a new place for the kids to hang out and be constructive and have fun. A weight set, game table, puzzles, crafts, and sewing will take place in this new place.

Everyone pitches in when the container arrives. The boys at the orphanage can do a lot of work! All the beans, rice and supplies are safely stored in the 20 foot container and storage rooms around the compound.

The pastors received three new items. A new study Bible and prerecorded Bible studies from a church in Winkler, Manitoba and a book on being a Godly man from you our supporters.

A drum set from the marching band here in Henderson was repurposed down to

Laundry soap for a year!

Administration Costs Policy

* NO administration - 100% of gifts are applied to the project or personal support of our workers.
